INTRODUCTION

PURPOSE

1. The purpose of these joining instructions is to provide staff, and parents of staff cadets, with the necessary information for employment. They must be read in full.

REPORTING IN

2. ALL staff are expected to report in uniform (or business casual for Civilian Instructors). CAF members will report in CADPAT/NCDs. Air Cadets will report in C-7 dress, Army Cadets will report in C-2A dress, Sea Cadets will report in C-3A dress. ALL staff cadets shall bring their full ceremonial uniform with authorized accoutrements.

GETTING READY

CLOTHING AND EQUIPMENT REQUIREMENTS

3. Military and civilian clothing and equipment requirements are detailed in the joining instructions [Kit List \(Annex B\)](#).

4. Staff MUST ensure that all DND-issued items of clothing, especially footwear, fit properly before departing for training. There are very limited facilities for clothing exchange at CTCs. Any necessary clothing exchanges must be completed at the local corps/squadron for cadets and local support base for CAF members. Staff Cadets will be issued FTUs upon arrival.
5. Civilian clothing may be worn off duty. Jeans must not be defaced, cut, ripped, or have drawings, lettering or other adornment on them. Your civilian attire should be in good order and good taste, remember your conduct and deportment both on and off duty must always be beyond reproach.
6. Personal storage space within staff accommodations tends to be limited. Staff are thus discouraged from bringing any items not specifically described in the relevant [Kit List \(Annex B\)](#). Bringing valuables of any sort (personal electronics, cameras, jewelry, cell phones, etc.) is done so entirely at the member's risk. Staff are responsible for securing their own possessions and the CAF/DND accepts no responsibility for personal property. All personal items should be documented on a [Personal Articles Log \(Annex C\)](#) which should accompany the member.
7. Army Cadets shall bring with them corps-issued Field Training Uniform (FTU) for use at CTCs
8. All staff must bring an un-marked (no other colours or logos) black ball cap and pair of black shorts for wear with sports dress. Civilian Instructors and Staff Cadets at Blackdown will be issued FTU.

MEDICAL AND DENTAL INFORMATION

Provincial Health Cards

9. All staff must have their valid provincial health card in their possession and be prepared to show it upon arrival. In the event the member is awaiting a new or replacement card, the Ontario Ministry of Health receipt (or other provincial equivalent) may be shown instead. If the card's expiry date falls within the employment dates, it must be renewed prior to departure.

Prescription Medication

10. Staff requiring prescription medication must bring sufficient medication to last for their entire stay at the training centre. Staff are expected to be aware of, and understand, their own medication requirements. If prescription replenishment is likely to be required during employment, staff must have in their possession the medication renewal prescription, the dosage, and sufficient funds to cover the cost of acquiring the medication. Canadian Forces Health Services will not pay for refilling prescriptions.

Anaphylaxis Protocol

11. Anaphylaxis is defined as a serious allergic reaction that can be rapid in onset and may cause death. It affects about 2% of the Canadian population, with the most common allergens being food and insect stings. Medical attention is needed right away as this type of reaction can be life-threatening. Cadets with serious allergies to insect stings or food must bring two prescribed Anakit/Epi-pen/Allerject with them to the CTC. Also, they must hand carry the Anaphylaxis Emergency Plan completed during their annual medical validation to the CTC and keep this copy on their person (with their epi-pen) at all times.

Over-the-Counter and Patient Medicines

12. Members allergic to insect stings or who may be prone to severe allergic reactions/anaphylaxis must bring their prescribed Anakit/Epi-pen/Allerject with them.

Medic-Alert Bracelets

13. Members with known medical conditions (diabetes, allergies etc.) should wear a Medic-Alert bracelet while employed.

Eyeglasses

14. Lenses and frames are the personal property of the cadet. The Canadian Forces will not replace or repair lost or broken glasses. It is strongly recommended that the member have insurance coverage for repair/replacement of eyeglasses. In addition, staff requiring eyeglasses shall have in their possession, two pairs of glasses and a copy of the prescription. Members are responsible for the safety of their eyeglasses and must exercise all due diligence in preventing loss or damage (wearing retaining straps etc.). If it is determined that the cadet was on duty and all due diligence was exercised by the member to prevent loss/damage, a claim against the crown may be submitted.

Immunization

15. It is important that staff attending CTCs have up-to-date immunization for age, in accordance with their provincial standards, as well as meningococcal immunization. It is advised that members bring immunization records with them to CTCs.

16. Immunizations will not be provided by Canadian Forces Health Services.

17. Staff could be excluded from training during certain infectious disease outbreaks if the staff member is not immunized against that communicable disease.

18. For more information on Immunization in Ontario, please visit the website for Ontario's Ministry of [Health and Long-Term Care](#).

GETTING THERE

TRANSPORTATION ARRANGEMENTS

19. Transportation to and from the CTC is provided at no expense to the member or family and is generally via charter motor coach. Out-of-region travel may be provided by rail or by military or commercial air transport. The Movements Officer of the appropriate Regional Cadet Support Unit arranges all transportation for staff. Adult staff may elect to travel by Privately Owned Motor Vehicle if their place of residence is less than 500 Km from CTC; a cost comparison will be done for staff driving their own vehicles. Staff cadets may be driven by their parent or guardian. Staff Cadets are not permitted to bring their own vehicle to the CTC.

23. Staff travelling by rail or air **MUST** carry [government-issued identification](#). For air travel, as a minimum, staff must have either one piece of photo identification or two pieces of identification, one of which specifies gender and date of birth. Such documents as a health card or birth certificate satisfy this requirement.

24. Under the Government of Canada's [Passenger Protect](#) program, for all air travel, full legal names must be used. Members' names as registered with their home corps/squadron **MUST** match the identification being carried. Discrepancies such as short forms or nicknames, use of a middle name, surnames assumed by the cadet instead of their legal name, or spelling errors may result in denied boarding. Additional details about the [Passenger Protect](#) program are available from [Transport Canada](#).

20. Personal luggage must be clearly marked with a duplicate tag placed inside the container (duffle bag, suitcase, kit bag). Luggage restrictions may apply to members travelling by air. Please consult the travel order received and the transporting airline. Details regarding checked and carry-on luggage may be obtained from the [Canadian Air Transport Security Authority \(CATSA\)](#).

21. **Staff not taking pre-arranged commercial transport are EXPECTED to depart their place of residence at 0800 hrs on the day they are to report in, and should plan their journey to arrive at the CTC [Orderly Room/Duty Center](#) located in the Training Centre between 0800 –1700hrs of the reporting-in day.**

22. Meals appropriate to the time of day are normally provided on route if members' travel extends over a meal period. In the event members are required to purchase a meal if approved in advance through the Training Centre Orderly Room, receipts must be obtained for reimbursement purposes upon arrival at the training centre.

23. All staff must complete a [Transportation Form \(Annex E\)](#) to assist Movements staff in planning return transportation. The form should accompany the member to the Training Centre. Parents/Guardians of Staff Cadets intending to retrieve their son/daughter/ward at the completion of employment **MUST** inform the training centre in advance to prevent unnecessary transportation arrangements for their son/daughter/ward.

24. Staff Cadets are not permitted to bring private motor vehicles of any type to the training centre.

PRE-DEPARTURE CHECK

25. In preparing for departure, all staff must assemble the following items to bring with them.

- a. Provincial Health Card. (see [para 11](#));
- b. Personal identification (see [para 23](#));
- c. Completed **Personal Articles Log** (as required) ([Annex C](#));
- d. Prescriptions for eyeglasses (see [para 17](#));
- e. Prescribed medications (see [para 12](#));
- g. Completed **Transportation Form** ([Annex E](#));
- h. Completed **Leave/Pass Authorization Form** (Staff Cadets ONLY) ([Annex F](#));
- i. Completed Code of Conduct – Staff Cadets and Adult Staff ([Annex G](#));

TRAINING CENTRE ROUTINES

INTRAINING CENTRE SERVICES AND FACILITIES

26. Staff accommodations are multi-occupant, gender-specific and access-restricted. All bedding (sheets, blankets, pillows) is provided. However, staff may bring their own linens if they wish.

27. Meals are served to staff in a cafeteria style mess-hall environment three times daily. CF facilities do not offer allergen-free foods or food preparation conditions, and cannot ensure avoidance of certain ingredients in food preparation. Whenever possible, foods containing or prepared with identified possible allergens (e.g. nuts, dairy, shellfish) are so identified when served; however, under Director Food Services policy, it remains the individual's responsibility to monitor their own food intake to avoid an allergen.

MEDICAL AND DENTAL CARE

Medical Services

28. The CTCs (excluding AATC Canadore) support a Medical Inspection Room (MIR) for Staff Cadets. CAF members may use the on-base CAF medical facilities (for Connaught it is the CF Health Clinic Ottawa, located at the Montford Hospital). Civilian Instructors must use civilian medical facilities. When necessary, individuals may be referred to local civilian medical facilities for more comprehensive diagnosis and/or treatment.

Dental Services

29. Emergency dental care is available in the event of accident or injury. No dental care beyond the emergency level is provided.

POSTAL SERVICES

30. Postal deliveries and pickups occur daily at the Training Centres. Members desiring to mail letters should bring a supply of postage stamps. Additional stamps are available for purchase at the cadet canteen.

LAUNDRY

31. Fully equipped laundry facilities are available.

MESS DINNERS AND MESS DUES

32. (a) Trenton CTC, Connaught CTC and HMCS ONTARIO hold a mess dinner attended by staff. In addition, staff must bring appropriate attire for mess dinners in accordance with Mess Dinner protocols. Thus, CAF members must have Mess Dress or 2B Mess Service; civilians are expected to wear formal attire.

(b) All CTC (except Canadore AATC) require Adult staff to pay mess dues to the corresponding Mess. In additions, Staff cadet pay into the Staff Cadet fund.

WORSHIP SERVICES AND SPIRITUAL GUIDANCE

33. The Training Centres (other than AATC Canadore) maintain a multi-denominational staff of chaplains in making every effort to meet the needs of all religious denominations. The Training Centres provide both Protestant and Roman Catholic services for those wishing to attend. Those members seeking a service within their own faith are encouraged to approach the Training Centre chaplains for assistance.

BANKING

34. There are ATMs (commercial banks' Automated Teller Machines) located within Blackdown CTC and Connaught CTC (at HMCS ONATARIO and Canadore AATC, ATMs are located on campus). Otherwise, members holding their own personal banking or ATM cards may access an ATM at nearby commercial or on-base locations.

VISITS, LEAVE AND PASSES

35. For Staff Cadets under 18, if there are special restrictions (e.g. due to court orders, custody issues, etc.) or changes in authorization of who may take a cadet on leave, this information must be documented in FORTRESS through the home corps/squadron. If circumstances change during employment, the Training Centre should be contacted directly. **STAFF CADETS UNDER 18 MUST COMPLETE AND BRING THE LEAVE AUTHORIZATION SIGNED BY THEIR PARENT OR GUARDIAN WHEN REPORTING IN.**

36. CAF members must submit a CF100 CF Leave Request/Authorization form. Leave periods vary according to the operational requirements at the Training centre.

PERSONAL APPEARANCE

37. The standards of personal dress, appearance and grooming shall be such as to reflect credit on the individual and on the Canadian Cadet Organization as a whole. The following regulations are extracted from Canadian Forces Dress Regulations and Cadet Dress Regulations. They are not intended to be overly restrictive, but to ensure the maintenance of high a standard of grooming consistent with military standards while also recognizing the standards of Canadian society and the traditional privileges, which have proven their value in fostering group identity and morale. The regulations are reasonable, enforceable, assure a favourable military image, and yet permit some individuality.

Hair Style – Male Personnel

38. As guidelines, hair shall be:

- a. neatly groomed;
- b. taper-trimmed at the back, the sides, and above the ears, to blend with the hairstyle. A straight cut at the neck is permissible when the tapered appearance is maintained;
- c. not more than 15 centimetres (6 inches) in length and short enough so that when hair is groomed and headdress removed, no hair touches the ears or collar, or falls below the top of the eyebrows. The distance of the hair from the collar for the average man should be 2.5 centimetres (1 inch) but this may vary according to whether the individual has a short or long neck; and
- d. not greater than 4 centimetres (1½ inches) in bulk at the top of the head with the bulk gradually decreasing from the top to blend with the tapered trimmed sides and back; and does not interfere with the proper wearing of any military headdress.

39. Males are expected to be clean-shaven. Reasonable medical or religious considerations will be accommodated. Sideburns shall:

- a. not extend below the point where the top of the ear lobe joins the face;
- b. be squared off in a horizontal line at the bottom edge; and
- c. be taper-trimmed to conform to the overall hairstyle and of even width.

Hair Style – Female Personnel

40. Hair shall be kept neat and well-groomed and shall not extend below the lower edge of the jacket collar. Varying hairstyles, straight or curled are permitted within these limits but exaggerated or bizarre styles including those with excessive fullness or extreme height are not authorized. In no case shall the bulk of the hair interfere with the proper wearing of military headdress. Hair ornaments shall not be worn. Bobby pins, hairpins and similar items used to secure the hair shall not be visible.

41. Braids, if worn, shall be styled conservatively and tied tightly, secured at the end by a knot or a small-unadorned fastener. A single braid shall be worn in the centre of the back. Double braids shall be worn behind the shoulders. Hair shall be a maximum length when gathered behind the head and braided which does not extend below the top of the armpit. Multiple braids and/or cornrows shall be directed toward the back of the head, pulled tight to the head and secured at the end by a knot or a small-unadorned fastener. Multiple braids extending below the lower edge of the collar are to be gathered in a bun.

Make-Up – Female Personnel

43. Make-up shall be conservatively applied when in uniform. This precludes the use of false eyelashes, heavy eyeliner, brightly coloured eye shadow, coloured nail polish and excessive make-up.

Jewelry

44. The wearing of jewelry by personnel in uniform is restricted. Wrist watches, ID or Medic Alert bracelets are permitted. A maximum of two rings may be worn provided that they are not of a gaudy or costume nature. Personnel in uniform shall not wear necklaces or chains about the neck. Females may wear only a single pair of plain gold, silver stud or white pearl earrings in pierced ears. A healing device of similar size not to exceed 0.6 cm. in diameter and spherical in shape may be worn while ears are healing after piercing. Only a single earring or healing device, worn in the centre of each ear, may be worn at a time.

DISCIPLINE AND DEPARTMENT

58. Regulations and standards have been developed to ensure the safety, efficiency and well-being of everyone. These requirements are not difficult to meet, and a willingness to abide by the rules will contribute greatly towards an enjoyable summer for all. When regulations are ignored, it causes unreasonable hardship for both cadets and staff, and must be addressed through remedial or disciplinary action.

59. Upon arrival at the Training Centre, staff cadets are required to sign a Cadet Code of Conduct, and adult staff must sign an Adult Staff Code of Conduct declaration in which they acknowledge the standards of conduct and behaviour expected of them while employed.

SMOKING

45. Central Region Cadet Training Centres are smoke-free environments. Government policy forbids smoking inside DND buildings or while riding in any DND vehicles or aircraft.

CONTROLLED SUBSTANCES (DRUGS AND ALCOHOL)

46. Cadets are prohibited from buying, consuming, or having in their possession alcoholic beverage of any sort. All staff are prohibited from buying, selling, using or being in possession of any narcotic or hallucinogenic

substance. Anyone suspecting another of using or being in possession of drugs or alcohol is obliged to advise their supervisor immediately. Central Region adheres to a zero-tolerance policy with regard to the misuse of controlled substances, and any staff member so involved may be subject to immediate RTU and possible criminal investigation/charges.

FRATERNIZATION

47. Cadet Training Centres embody three groups of individuals: course cadets, staff cadets, and adult staff (including Officers, Civilian Instructors and non-commissioned members of the Regular Force, Primary Reserve and/or COATS.) Fraternization, that is, inappropriate interactions as defined in CATO 15-22, among any of these categories is not permitted. Living quarters are gender-exclusive and are off limits to members of the opposite sex. Failure to comply will not be tolerated and may result in personnel being RTU.

RETURN TO UNIT (RTU)

48. A staff member may be Returned to Unit (RTU) for serious disciplinary problems, medical reasons, upon parental request, as a training failure or when determined by the Commanding Officer to be in the best interest of the member. The RTU procedure may commence on very short notice. It is also important that parent/guardians have accurately specified contact numbers including their alternate contact. Undue delay in returning home may place unnecessary stress on the member.
