PRE-LESSON ASSIGNMENT

Nil.

APPROACH

An interactive lecture was chosen for this lesson to orient the cadets to identify responsibilities of a follower in a team and generate interest.

INTRODUCTION

REVIEW

Nil.

OBJECTIVES

The cadet shall have explained the responsibilities of a follower in a team environment.

IMPORTANCE

Cadets need to learn how to be effective members of a team. Understanding the responsibilities of a follower in a team setting makes cadets more aware of what is expected of them. This knowledge enables them to contribute to the overall success of the team.

Teaching Point 1

Explain the following four responsibilities of a follower.

Time: 10 min

Method: Interactive Lecture

RESPECT THE LEADER AND OTHER TEAM MEMBERS

The ability to work with other people in a team is a useful skill. A sincere respect for other people is a great asset. In order to be an effective team member one must respect what the leader is asking the team to do. It is also important to respect the opinion and views of the other members of the team.

COOPERATE WITH OTHERS

In order for the team to effectively and efficiently achieve an objective the members must co-operate. Through co-operation a great deal more can be achieved than by working alone.

ADMIT MISTAKES AND LEARN FROM EXPERIENCE

In a team setting one must be able to admit when they are wrong and learn from the mistake. This makes the team stronger and creates a better outcome.

ACCEPT CONSTRUCTIVE CRITICISM

Constructive criticism is observations or thoughts about ways to improve the manner in which a task was completed. Leaders will often provide constructive criticism to members of the team. This criticism is given to assist individuals develop as team member and eventually become leaders. Members must learn to take this criticism and use it in a beneficial way.

CONFIRMATION OF TEACHING POINT 1

QUESTIONS:

- Q1. What is constructive criticism?
- Q2. What does it mean to admit mistakes and learn from experience?
- Q3. Why is it important to respect the leader and other team members?

ANTICIPATED ANSWERS:

- A1. Constructive criticism is observations or thoughts about ways to improve the manner in which a task was completed.
- A2. In a team setting one must be able to admit when they are wrong and learn from the mistake. This makes the team stronger and creates a better outcome.
- A3. The ability to work with other people in a team is a useful skill. A sincere liking and respect for other people is a great asset. In order to be an effective team member one must respect what the leader is asking the team to do. It is also important to respect the opinion and views of the other members of the team.

Teaching Point 2**Explain the following five responsibilities of a follower in a team**

Time: 15 min

Method: Interactive Lecture

ASSUME RESPONSIBILITY

Team members should be prepared to assume responsibility when needed. The team leader delegates duties to team members and relies on these members to be prepared and willing to take on the responsibility.

BE HONEST

Team members must be honest with others in the team. Most people believe and want to work with someone they trust. Honesty is an important characteristic of a good follower. In order to complete objectives, team members must trust each other and be honest.

ACCEPT OTHER TEAM MEMBERS FOR WHO THEY ARE

It is important to be sensitive to other people's wants and needs and to changes in these wants and needs. Acceptance and understanding of individual differences allows the group to communicate and cooperate.

KNOW THE JOB AND BE PREPARED

A good follower needs to be knowledgeable about the group's goals. An effective follower should be organized and prepared.

COMMUNICATE CLEARLY WITH OTHERS

A follower must be able to understand and communicate with the leader and other team members. Communication works in two directions, listening and speaking. The ability to listen to others is essential in receiving correct information and implementing the strategy outlined for the team.

CONFIRMATION OF TEACHING POINT 2

QUESTIONS:

- Q1. Why is it important to be honest in a team?
- Q2. What does it mean to communicate clearly with others?
- Q3. Why must a team member assume responsibility?

EO M103.02 – MAP A PERSONAL GOAL FOR THE TRAINING YEAR

Total Time:

30 min

PREPARATION

PRE-LESSON INSTRUCTIONS

Resources needed for the delivery of this lesson are listed in the lesson specification located in A-CR-CCP-801/PG-001, *Proficiency Level One Qualification Standard and Plan*, Chapter 4. Specific uses for said resources are identified throughout the instructional guide within the TP for which they are required.

PRE-LESSON ASSIGNMENT

Nil.

APPROACH

An interactive lecture was chosen for TP1 as it is an effective way to generate interest and motivate the cadets to set personal goals for themselves.

An in-class activity was chosen for TP2 as it is an interactive way to provoke thought and stimulate interest among cadets.

INTRODUCTION

REVIEW

Nil.

OBJECTIVES

By the end of the lesson, the cadets will have mapped a personal goal for the training year.

IMPORTANCE

It is important for cadets to set goals that will encourage personal development and motivate them to complete tasks.

Teaching Point 1**Explain the concept of goal setting.**

Time: 10 min

Method: Interactive Lecture

DEFINITION OF A GOAL

A goal is an aim an individual or group works toward; an object of ambition / effort.

DIFFERENCE BETWEEN SHORT-TERM AND LONG-TERM GOALS

Short-term goals are those that can be met in a short period of time and are often set to achieve long-term goals. For example, if an individual strives to run five kilometers by the end of the year, their short-term goal could be to run two kilometers within two months. By setting achievable short-term goals, individuals can measure their progress in the pursuit of their long-term goals.

HOW TO DEVELOP GOALS

Goals should be set with a specific purpose in mind. They should be measurable and achievable, allowing individuals to track progress. A goal should be something an individual can be motivated toward achieving.

SMART GOAL SETTING

Distribute the SMART Goal handout located at Attachment A. Discuss with the cadets what each letter in “SMART” represents and give an example of a SMART goal.

Cadets should set a specific goal to work toward. The acronym SMART is a tool the cadets may find useful.

S stands for specific: the aim of the goal must be precisely defined.

M stands for measurable: identify a standard against which to assess achievement.

A stands for attainable: ensure needed resources are accessible for accomplishing the goal.

R stands for realistic: ensure the goal is worthwhile for the cadet.

T stands for timely: the completion date of the goal.

Ask the following questions to the cadets to help elicit SMART goals:

Specific. What specific activity, or activities, can you do to help you reach your goal? Your goal should be concise and focused on one specific outcome (your goal cannot be too vague).

Measurable. How often will I work toward my goal? How long will I work at activities that help me to meet my goal? How can I track my progress in meeting my goal? Measuring your progress will help you to track your success and maintain motivation.

Attainable. How can I reach my goal? Are there people who can help me reach my goal? Do I have any attitudes that I need to change in order to meet my goal? Identifying the resources and supports that are available to help meet a goal is important to keep you on track.

Realistic. Can I really reach my goal? Is my goal too big? Would a smaller goal be more realistic and help me ensure success? Running a marathon is a big goal and one that will not likely be achieved by many; however, joining a running club or running smaller distances may be realistic attainable goals.

Timely. When will I start to work on my goal? When do I want to have my goal completed? Goals are more effective if they have time associated with them.

SMART Goal Example

SMART GOAL: By the Commanding Officer's (CO's) parade in December, I will have all of my badges sewn onto my uniform in the correct positions.

Specific: I will have all my badges sewn onto my uniform in the correct positions. I will not have any loose threads.

Measurable: I will get a copy of the dress instructions that show where badges will be sewn onto the uniform. I will ask my mom to help me sew the badges onto my uniform. I will work on my sewing every Thursday night until all the badges are sewn correctly. I will meet my Flight Sergeant the week before the December CO's parade to make sure my badges are sewn onto my uniform in the correct positions. I will spend the Monday night before CO's parade correcting any errors my Flight Sergeant finds with the badges on my uniform.

Attainable: I will check with my fellow Proficiency Level One cadets to ensure my uniform is correct. I will also seek advice from my Flight Sergeant.

Timely: I will start at this week's parade night by asking for a copy of the dress instructions. I will work at completing my goal each Thursday night until CO's parade.

CONFIRMATION OF TEACHING POINT 1

Specific uses for said resources are identified throughout the instructional guide within the TP for which they are required.

Review the lesson content and become familiar with the material prior to delivering the lesson.

Ensure that an OHP has been set-up.

Bring paper and pens for group work.

PRE-LESSON ASSIGNMENT

Nil.

APPROACH

An in-class activity was chosen for TPs 1–3 as it is an interactive way to present team building activities and the learning objective.

A group discussion was chosen for TP4 as it allows the cadet to interact with their peers and share their knowledge, opinions and feelings about the advantages and characteristics of a successful team.

INTRODUCTION

REVIEW

Nil.

OBJECTIVES

The cadet shall participate in teambuilding activities and discuss the characteristics and advantages of a successful team.

IMPORTANCE

Having the skills to work as an effective team member is essential to the success of the team. Once introduced to these skills, they will continue to develop whenever the individual is placed in a team setting or situation that require people to work together.

Teaching Point 1**Conduct the teambuilding activity “the Human Knot.”**

Time: 10 min

Method: In-Class Activity

BACKGROUND KNOWLEDGE**CHARACTERISTICS OF A SUCCESSFUL TEAM**

- Communication – Clear communication is essential to an effective team. Team members must feel comfortable sharing ideas and concerns with each other and the leader.
- Mutual cooperation and support – It is hard to be innovative when you are not sure how others will react to your ideas. Team members must be aware that even if people disagree the objection is to the idea, not to the person presenting it. Members of a team must have the right to a certain level of trust that precludes backstabbing, gossip and negative behaviours aimed solely at making someone look bad.
- Share a common goal – When a team understands the purpose for a task they have a heightened motivation to work together towards the completion of it.
- High esprit de corps – When each member of the team has a sense of pride and belonging to the team, it is more likely they will want to be part of the team. This sense of belonging will enable the group to become more cohesive and willing to work together to accomplish the task.

ADVANTAGES OF EFFECTIVE TEAMWORK

- Includes everyone and ensures a better outcome – In a team setting people feel that their contributions are valuable. A strong group performance is generated from strong individual efforts. When many individuals are working together to accomplish a task different ideas and opinions mesh together to provide a sound outcome.
- Tasks are easier when more people are involved – When the responsibility and workload are shared among the team members and the team works together to ensure everyone stays on track, the team will offer support to those who need it.
- Increases and develops communication – Teamwork is an opportunity for people to interact in new ways by forming relationships and communicating with new people. Communication is the key to ensuring members are carrying out their role in accomplishing the task.

ACTIVITY**OBJECTIVE**

The objective of this activity is to untangle the “human knot” through teamwork.

This activity highlights the necessity for communication, mutual cooperation and support, including everyone and ensuring a better outcome, high esprit de corps and sharing a common goal.

RESOURCES

Nil.

ACTIVITY LAYOUT

2. Direct each group to stand in a circle and place their right hand in the centre and take the hand of anyone except the person on either side of them.
3. Have them do the same with their left hands.
4. Explain to the cadets that they must not let go of their hands, and that their job is to work together to untangle the "Human Knot."

SAFETY

Ensure the area where this activity is being conducted is flat and open so as to avoid any falls or collisions with other objects.

CONFIRMATION OF TEACHING POINT 1

The cadets' participation in the activity will serve as the confirmation of this TP.

Teaching Point 2

- Overhead projector.
- Pens.
- Paper.
- Whiteboard/flip chart.
- Markers.

ACTIVITY LAYOUT

Nil.

ACTIVITY INSTRUCTIONS

1. Place a copy of the collage found in Attachment A on the OHP.
2. Turn the OHP on and have the cadets observe the overhead for 15 seconds.
3. After 15 seconds turn the OHP off and have the cadets individually write down as many items as they can recall.

4. After approximately two minutes record on the board/flipchart the number of items recalled on an individual basis.
5. Split the cadets into two groups and have them compile a group list of items they recall.
6. After two minutes compare the individual results to the group results.

RESOURCES

- Paper; and
- Pens.

ACTIVITY LAYOUT

Nil.

ACTIVITY INSTRUCTION

1. Direct the cadets to line up in birth order from oldest to youngest by not talking to one another.
2. If the task becomes daunting for the cadets provide a method to assist them (i.e. using pens and paper).
3. The pens and paper can be laid out on a table in the vicinity of the activity.
4. When the time is up, starting at the beginning of the line, have each cadet state his or her birthday to see if the task was successful.

SAFETY

Nil.

CONFIRMATION OF TEACHING POINT 3

The cadet's participation in the activity will serve as the confirmation of the TP.

Teaching Point 4

Lead a discussion on the characteristics of a successful team.

DISCUSSION QUESTIONS

TIPS FOR ANSWERING/FACILITATING DISCUSSION:

- Prepare questions ahead of time.
- Be flexible (you are not bound to only the prepared questions).
- Encourage cadets to participate by using praise such as “great idea” or “excellent response, can anyone add to that?”.
- Try to involve everyone by directing questions to non-participants.

SUGGESTED QUESTIONS:

- Q1. What advantages of teamwork were noticed while engaging in the activities?
- Q2. What things made the team successful in the activities?
- Q3. What things were frustrating throughout the activities?

INTRODUCTION

REVIEW

Nil.

OBJECTIVES

The cadet shall introduce themselves to the group.

IMPORTANCE

Communication is an important aspect of leadership. Being able to communicate with other members of the group and the leader will lead to successful completion of tasks. Starting with a short, informal introduction will give the cadets confidence to start developing their communication skills.

Teaching Point 1**Conduct a self-introduction activity.**

Time: 15 min

Method: Interactive Lecture

BACKGROUND KNOWLEDGE

COMMUNICATION

Effective communication skills are key to any successful group or team and are an important factor in becoming an effective leader. A leader who can communicate effectively with the team will move the team towards a positive outcome.

Communication works in both directions. When one person is delivering a message, the team members must be listening to ensure they receive the message correctly. Part of becoming a leader is developing good listening skills. Team members should feel comfortable enough to bring forth ideas to the leader and feel that their ideas are heard and taken into account.

ACTIVITY

OBJECTIVE

The objective of this activity is to have each of the cadets present themselves to the class.

RESOURCES

- White board with markers;
- Pens; and
- Paper.

ACTIVITY LAYOUT

If the class is big, divide the group into smaller groups and use assistant instructors to facilitate the introductions.

ACTIVITY INSTRUCTIONS

1. Have each cadet stand in front of the class and present a short introduction.
2. The introduction should include information such as:
 - (a) their name;
 - (b) what school they attend;
 - (c) what grade they are in;
 - (d) why they joined cadets;
 - (e) their hobbies;
 - (f) their interests; and
 - (g) their general career ambitions.
3. Write this list on the board for the cadets to reference during the introduction.

4. Give the cadets two minutes to write some notes to use during the introduction.
5. Each introduction should be no more than two minutes in length.

SAFETY

APPROACH

An in-class activity was chosen for TPs 1 and 3 as it is an interactive way to present team building activities and the learning objective.

OBJECTIVES

The cadet shall participate in teambuilding activities and discuss the characteristics and advantages of a successful team.

IMPORTANCE

Acquiring the skills needed to work as an effective team member is essential to achieving the team's goals.

Teaching Point 1**Conduct the teambuilding activity “Jigsaw.”**

Time: 5 min

Method: In-Class Activity

BACKGROUND KNOWLEDGE

CHARACTERISTICS OF A SUCCESSFUL TEAM

- Communication – Clear communication is essential to an effective team. Team members must feel comfortable sharing ideas and concerns with each other and the leader.
- Mutual cooperation and support – It is hard to be innovative when you are not sure how others will react to your ideas. Team members must be aware that even if people disagree the objection is to the idea, not to the person presenting it. Members of a team must have the right to a certain level of trust that precludes backstabbing, gossip and negative behaviours aimed solely at making someone look bad.
- Share a common goal – When a team understands the purpose for a task they have a heightened motivation to work together towards the completion of it.
- High esprit de corps – When each member of the team has a sense of pride and belonging to the team, it is more likely they will want to be part of the team. This sense of belonging will enable the group to become more cohesive and willing to work together to accomplish the task.

ADVANTAGES OF EFFECTIVE TEAMWORK

- Includes everyone and ensures a better outcome – In a team setting people feel that their contributions are valuable. A strong group performance is generated from strong individual efforts. When many individuals are working together to accomplish a task different ideas and opinions mesh together to provide a sound outcome.
- Tasks are easier when more people are involved – When the responsibility and workload are shared among the team members and the team works together to ensure everyone stays on track, the team will offer support to those who need it.
- Increases and develops communication – Teamwork is an opportunity for people to interact in new ways by forming relationships and communicating with new people. Communication is the key to ensuring members are carrying out their role in accomplishing the task.
